

Ship Auger Bits, 18" long (Nail Biters)

For fast drilling in wood and timber, even with nails or staples

- Hardened feed screw with deep thread for easy pull and quick drilling through wood.
- Special cutting edge with reduced body diameter for clean and effortless drilling even in hydro poles and green wood.
- Extra hardened edge will stay sharp longer.
- High helix flute with solid core for stable and wobble free drilling.
- Premium quality steel for long service life.
- 7/16" Machined Hex quick change shank for greater torque and control.
